Tim Taylor, Don Longwell and Diane Osgood met on the subject property at 6:25 PM.

The Chair called the meeting to order at 6:30 PM. The Applicant, Marie Eiter showed us the existing garage and explained where the proposed addition would be constructed. She had marked the property boundary line with survey tape, showing that the addition would be outside of the required 15' side setback area.

With the Applicant's permission, Diane Osgood took photos of the existing garage; and the location of where the proposed addition would be.

The Chair adjourned the Site Visit at 6:45 PM to be continued to the Hearing at the Town Offices.

There were no other interested persons in attendance.

Respectfully submitted,

Diane C. Osgood
