

Thetford Memorial Park Group
Draft Notes 11Aug 2015

Present: Libby Chapin, Jen Boyce, Sherry Merrick, Marty Bouchard, Connie Gephart, Jennifer Davey, Jessica Eaton

Discussion of numbers and types of trees and placement. Leaning toward Red Oak and Crab Apples. Prices range from \$175- \$229. We have 5 separate donors for 6-7 trees. Money is also needed for compost, better soil to plant the root balls in, bench, plaque.

Opinion is that all the trees should be the same size when planted (not some 1" and some 2" trunks).

Question if there should be something signifying who donated each tree. It would need to not interfere with mowing.

We have set a fundraiser bake sale date at the recycling center for Sept 19th 9am – noon.

Libby- coffee, tent

Jen- Bake & cider

Marty- bake & cider

Jennifer- cider

Sherry -bake & cider

Connie- bake

Jessica- bake& 2: 4' tables

Jennifer will put something on listserv a couple of weeks ahead.

We will order trees for spring and prep the holes in the fall.

Question of who to run \$\$ donations for trees etc. thru. Jill Graff has responded that all donations for the space should come thru the Town. Thank you.

Next meeting is when??

Respectfully,

Jessica Eaton
