

Thetford Memorial Park Working Group

Draft Minutes from Tuesday, September 1, 2015 Meeting

Thetford Memorial Park Working Group met today, September 1st, and reconfirmed that the park is dedicated to all Thetford veterans and their families. Donations for trees, etc. are greatly, immensely, appreciated, but they should not be to honor specific people. We see the park as a general memorial for veterans and their families and worry that identifying specific individuals will leave some out. The purpose is to honor all those in the entire town of Thetford who have served their country as well as their families, who also make sacrifices.

We briefly discussed the fundraiser at the recycling center on Saturday, September 19th. There will be baked goods, cider, and coffee. All money for donations will go to the purchase of trees, compost, mulch, memorial stone, and bench(es).

Respectfully submitted by Jessica Eaton, Selectboard Liaison
